8. This will bring you to our Health Profile instruction page. Please read this information before clicking **CONTINUE** at the bottom right of the screen.

9. On the right side of the screen, you will see the sections that need to be completed. Complete these sections by submitting accurate information. After completing each section, click **NEXT STEP** on the bottom right of the screen.

NEXT STEP

- Contact Information
- Health History
- Daily Needs
- Behavior
- Medical Forms
- Medication
- Medical and Social Information
- Camper Statistics
- Liability

10. You will know if the section is 100% complete if you see a **GREEN CHECK** next to the section name. You will want to see all **GREEN CHECK** marks next to each section. If you see a **RED DOT** this means something is incomplete in that section.

11. If you would like to complete an application for another camper, please click **NEW PARTICIPANT** in the left section. Then complete the application following the same steps starting at 3.

North Star Reach will only be notified after you complete ALL sections on our application. Your camper cannot be considered for Summer Camp until ALL sections are complete.

Applications are reviewed in order of completion date: first completed, first reviewed. Once your camper's application is reviewed you will be notified in an e-mail from campers@northstarreach.org.

Please allow up to 4 weeks after your application completion date to hear from us. Filling out these forms does not guarantee a spot for your camper.

Thanks for applying!
