

✧ Glitter Jars ✧

Materials:

- Bottle or Jar with Tight Lid
- Warm Water
- Glitter!
- Baby Oil (substitutes include: Clear Soap or Clear Glue)
- Funnel / Pouring cup or bowl
- Stir Stick or Whisk
- Food Coloring

Instructions:

- 1.) Grab your jar or bottle that you will be using.
- 2.) Pour the warm water a little over half-way into the jar/bottle.
- 3.) Add in as much as you want of the GLITTER and food coloring into the bottle/jar!
- 4.) Next you will fill the rest of the jar/bottle with the baby oil.
- 5.) Next take your stir stick and mix the contents of the bottle together!
- 6.) Put the lid on, shake up the bottle/jar a bit more AND there is your glitter jar!
- 7.) Remember, you can add in different objects into the bottle such as dice, little pebbles! Have fun 😊
