Photo Scavenger Hunt Project Explanation (Live Event) **Colleen (ZOOM)**

- We will provide details of the scavenger hunt during this time. It’s an all-day event! You will need a phone or camera. Post photos in our FB album or email colleen@northstarreach.org.

10:00-11:00 AM **Parent/ Guardian Fellowship (Live Event)** **Patrick (ZOOM)**

- While we can’t be together in person, we can be together. Bring your favorite beverage for some parental/guardian fellowship time. Yes, it is virtual, but I promise it will be virtually amazing. Find a nice warm cozy corner of your home, hang in a hammock, sit on your porch/deck, or even in your car (if you have to) to find some peace and quiet away from the kids. OK, that may not be possible or wise depending on your kids. Essentially, we don’t mind what you do, we just want to see and hear you. The plan is to check in with each other, hear some stories, see the world outside the four walls of our “shelter-in-place” homes and ultimately, have a little fun and connection.

2:00-4:00 PM **ACTIVITY FREE CHOICE** **(Private Facebook Group)**

- Materials will be listed on our Family Camp Facebook Group! *If you do not have access to the internet or Facebook, please connect us and we can provide alternative activities.*
